COURSE OVERVIEW

The BA (Honours) in Business Studies is an undergraduate programme that provides each student with comprehensive knowledge and understanding of modern business studies subjects and establishes a firm foundation for the development of a career in business. Core modules covered include Accounting and Finance, Marketing, Management and I.T., along with general business areas such as Economics and Human Resources. Students will understand how these areas are interrelated with other functional areas in order to enable effective strategic business decisions. The programme is structured in a way which provides each student with the opportunity to study for a degree in Business Studies, with a specialist pathway in year 3.

These pathway study options are:

- Innovation
- Human Resource Management (HRM)
- Entrepreneurship
- Analytics & IT

ACCREDITATION:

This is a three-year honours degree programme that is QQI accredited. Students will graduate with an internationally recognised Bachelor of Arts (Honours) in Business Studies.

ENTRY REQUIREMENTS:

Students are required to achieve a minimum of Grade H5 at higher level in two subjects and four O6s in ordinary level subjects (including Mathematics and a language) in the Leaving Certificate. Find local market equivalent qualification levels from 160+ countries through the NARIC Foreign Qualifications Database on qqi.ie

Mature applicants are welcome and do not need to meet these requirements, but must submit an updated CV with their application. If English is not your first language, you must provide evidence that you will be able to study at degree level English. You will be required to show that your use of English is equivalent to IELTS 6.0. If you do not hold the required English language certificate, you will be required to sit our free English speaking and writing test online with Independent College as a part of your application process.
